CURRENT DISASTER RESPONSE

UMCOR and their partners are responding to Hurricane Florence in the United States and Super Typhoon Mangkhut (Ompong) in the Philippines. Please join us in prayer for the areas affected and consider a gift to UMCOR Disaster Response. As we assess the impact of these storms, we will provide timely updates as we receive information. We will also share additional ways in which you can provide assistance.

Hurricane Florence - UMCOR is pleased to report that damage assessments in North and South Carolina have begun. However, these assessments have not been completed due to high water in many of the affected areas. If you would like to donate to U.S. Disaster Response, make your check out to the church and designate UMCOR Advance #901670 in the memo line.
