

## **United Methodist Women celebrating 150 years!** **We. Do. Mission.**

The Easley First United Methodist Women are looking forward to an active 2019. UMW meets the second Wednesday of each month at 10:30 a.m. in Fellowship Hall. In August and November, the meetings are in the evening. And as all good Methodists prefer, food is served!

United Methodist Women is a mission organization. At our meetings we pray, we share, we learn, we give, and we do. We support a wide range of charities, from local to international. We do fund raisers for our missions. We go to district events and meet more United Methodist Women that become friends. Many of our members participate in community charities. And we have fun.

Just a few of this year's monthly UMW programs are:

- Chris Wilson of the Dream Center
- Bikers Against Child abuse
- The Business Professional Women of Easley
- Shelley Fones in Adventures in Poland, the Baltics & Russia
- Toby Vogel of Samaritan Health Clinic
- UMW's Anderson District President, Shelby Henderson
- And on **Feb. 13** Alice Vander Linden will speak of her recent trip to South Africa.

ANY woman can join the United Methodist Women. You will find friends and a Christian purpose. Please join us on a meeting day and be part of a group that has been a keystone to the United Methodist Church for **150 years**.
