One of the purposes of the Memorials Committee is to receive and account for undesignated monetary memorial gifts. During 2017, the funds were used to purchase items as noted. Some of the items were purchased at the request of the Worship Committee, others at the request of the Building Committee.

- Christmas tree for Sanctuary
- Altar candle for Sanctuary
- 30 choir chairs
- 3 chancel chairs, made from pews removed from Sanctuary during renovation
- Blinds for infant and toddler nurseries, choir room and bathrooms
- Narthex announcement board

Total expenditures amounted to \$8,665.59.

A commitment has been made to the Worship Committee to fund the purchase of offering plates. (These are on backorder.) The Committee also worked on updating the Book of Memorials: which is an ongoing process.
